A Message From Our Chief

Thank you for your interest in the Omaha Police Department’s 2015 Annual Report.

We are a progressive police department made up of a diverse group of nearly one thousand men and women, both sworn and non-sworn, who work to keep Omaha a safe and family-friendly city.

We strive to be responsive to our citizens, and it is my belief that there is a shared responsibility between the community and the Police Department to work together to reduce crime and improve the quality of life in our great city. To accomplish this, we deploy a community policing philosophy coupled with a neighborhood problem solving approach. This reflects our commitment to reducing crime and disorder citywide by focusing on unique neighborhood crime problems and solutions.

The Omaha Police Department experienced a great amount of success in 2015 even though it was a trying time for law enforcement across the country. Through the partnership with our great community, the City of Omaha experienced a 14% drop in overall crime. Thank you to the professional men and women of the Omaha Police Department and our community partners.

The following report includes information explaining the day-to-day activities and accomplishments of the Omaha Police Department during the year 2015. Specifically, you will find sections regarding the agency’s budget, recognition of sworn and non-sworn employees, crime statistics, activities of individual units and squads, promotions and retirements, and a section dedicated to the memory of current and former employees who passed away during the year.

I invite you to explore the information in this report, and encourage you to contact the Omaha Police Department if we can be of any service to you.

Respectfully,

Todd R. Schmaderer
Chief of Police
Omaha Police Department

THE PROFESSIONAL STANDARDS LIEUTENANT

In 2015 the Professional Standards Lieutenant functioned as an information source and special assistant to the Chief of Police while also providing administrative support to the Professional Standards Section.
The PIO disseminates information to the news media and manages the Omaha Crime Stoppers Program and the Omaha Police Department’s social media presence.

**2015 HIGHLIGHTS**

- Disseminated information to both local and national media outlets
- Organized events such as the Crime Stoppers Officer of the Year awards luncheon, Crime Stoppers golf fundraiser, and promotional and retirement ceremonies
- Participated in community events such as the “Fun in the Park” and “Coffee with a Cop”
- Participated in community-based programs such as Omaha 360 and gave Crime Stoppers presentations to local schools and organizations
- Worked with the First Responders Foundation to bring community awareness to issues faced by Omaha Police Department officers
- Taught Social Media and Media Relations to Omaha Police Department Academy recruit class, the Nebraska Law Enforcement Training Center and various schools throughout the metro.

**PIO Website and INFO**

- 2,918 Tips
- 120 Arrests
- 140 Cases Cleared
- $176,000 in Rewards
The UNIFORM PATROL BUREAU (UPB) is commanded by Deputy Chief David Baker. The City of Omaha is divided into four Police Precincts: Northeast, Northwest, Southeast and Southwest. These precincts provide 24-hour general police services to the public.
The Northeast Precinct (NE) is commanded by Captain Scott Gray. NE employees provide professional police services by using innovative community based policing methods and collaborating with grassroots community outreach organizations, neighborhood associations, public schools, faith-based organizations, political leaders and area businesses.

In 2015, the NE Precinct continued to focus on reducing incidents of gun violence. Officers recovered a significant number of firearms on traffic stops, citizen contacts and other investigations. They also utilized the ShotSpotter gunfire detection system to rapidly respond to gunfire incidents. At the end of 2015, the Omaha City Council approved the purchase of an expanded ShotSpotter service area. This increased coverage will allow officers to investigate gunfire incidents in a timely and complete manner.

The NE Precinct finished 2015 with a 27% reduction in gun assaults. In addition, shots fired decreased 8% compared to 2014. The precinct made notable progress in the reduction of property crimes, with overall reductions in the number of burglaries and auto thefts.

In 2015, the NW precinct was commanded by Captain Shayna Ray who recently retired. The NW is now commanded by Captain Marcia West who continues to place a strong emphasis on community policing and maintaining a direct line of communication with citizens.

Officers work with neighborhood associations, citizen patrols, schools, and businesses to fight and deter crime, and address quality of life issues. The NW values the citizens of Northwest Omaha and places a strong emphasis on creating and maintaining positive relationships with the public.

NW officers regularly attend community meetings and hold Precinct Advisory Council (PAC) meetings. These meetings maintain an open line of communication with the public and provide citizens with the opportunity to communicate issues that need to addressed. Numerous neighborhood associations and Neighborhood Watch groups were started in the NW precinct in 2014 and community involvement continues to grow.

The Northwest Precinct also commands the Canine Unit.

The Canine Unit reports to the NW Precinct and serves the citizens of Omaha by performing patrol and narcotics detection duties. The unit currently has nine (9) police service dogs. Eight (8) are dual purpose, performing patrol duties and narcotics detection, and one (1) is a single purpose narcotics detection canine. Uniform Patrol Bureau officers call for the canine teams to search for, locate and apprehend potentially dangerous suspects who have fled or are hiding from officers. These duties require the canines and their handling officers to take the lead in dangerous searches in many types of environments. When searching for narcotics the canines sniff for, alert, and indicate to the odor of illegal drugs.

2015 Canine Unit Statistics
- 2,534 Calls for Service
- 395 Arrests
- 1,080 Interstate Contacts
- 338 Searches for Suspects
- 30 Evidence Searches
- 50 Firearms Recovered
- 56 Canine Demonstrations
- 436.6 lbs. of Marijuana Seized
- 20.8 lbs. of Meth Seized
- 16.5 lbs. of Cocaine Seized
- 185 Drug Searches

In 2015, the Omaha Police Department Canine Unit retired two dual-purpose canines, “Dingo” and “Pippen”. Both of these canines served their handlers and the citizens of Omaha faithfully for approximately seven years. The OPD subsequently began training their new canine replacements in 2015. The new canines and their handlers will attend a four month basic dog camp held at the Gary and Mary West Regional Canine Training Facility located at the Omaha Public Safety Training Center.
The SE precinct is commanded by Captain Katherine Belcastro-Gonzalez. The SE precinct is a busy precinct with many events and tourist attractions. It is also the most culturally diverse area of the city. Historically, South Omaha has been a melting pot of cultures, including Polish, Italian, Czech, Lithuanian and Irish. In recent decades there has been a strong influx of Hispanic and Sudanese immigrants. The SE precinct serves citizens of the various cultures equally and with pride. Officers patrol this precinct using vehicles, bicycles, Segway’s, recreational utility vehicles, horses and on foot.

In 2015 the SE precinct managed many events and cultural celebrations that included the NCAA baseball College World Series, Fourth of July fireworks at TD Ameritrade Park, various holiday celebrations and parades, concerts and events along the river front and at the CenturyLink Center, TD Ameritrade Park, Omaha’s Henry Doorly Zoo and Old Market.

The SE Precinct Advisory Council (PAC) is focused on increasing community participation in the SE PAC as well as the Neighborhood Watch Groups. These community based collaborative approaches have helped decrease crime numbers in the SE Precinct. The SE precinct also provides assistance to the public on problem resolution and prevention programs. The SE Crime Prevention Specialist (CPS) continues to assist the SE front desk officers and other Omaha Police Department precincts with Spanish interpretation and translation.
• Created and maintained the SE Precinct Community Garden
• Hosted multiple Citizen Police Academies
• Attended many Neighborhood Association Meetings
• Partnered with the Salvation Army KROC center to host the SAFE (Safety Awareness Fitness & Education) events
• Hosted the Meet and Treat Annual Halloween event
• Hosted the 14th Annual Santa at the SE Precinct event
• Hosted Pop/Coffee/Cocoa With A Cop Events
The SW Precinct, commanded by Captain Russell Horine, incorporates a community policing approach to address the causes of and reduce the fear of crime. Specifically the SW Precinct, in partnership with business owners and neighborhood associations, takes an active role in developing strategies to improve the quality of life for citizens within its boundaries.

As a part of this approach, Captain Horine meets with members of the community through the SW Precinct Advisory Council (PAC). The SW PAC includes residents, neighborhood associations, citizens’ patrols and business owners. The SW PAC fosters positive community relations by providing an opportunity for citizens to communicate directly with SW Precinct command officers in order to relay public safety concerns.

Due to the focused efforts of the SW Precinct, there was a decrease in Burglaries, Auto Thefts and Theft from Motor Vehicles incidents in SW Precinct in 2015.

In 2015 a new SW Police Precinct building was approved and construction began. The SW Precinct expects to move into the new facilities in the fall of 2016.

Southwest Precinct Website
• Hosted Pop/Coffee/Cocoa with a Cop Events
• Participated in the Community Halloween Party
• Assisted in the TD Ameritrade Active Shooter exercise
• Attended many Neighborhood Association Meetings
• Conducted Neighborhood Watch and PAC Meetings
• Hosted Citizens Academy Training Events and Ride Alongs

2015 Notable Field Investigations

- In 2015, the Field Investigations Squad (FIS) was able to investigate and apprehend suspects in 600 cases
- In March, the FIS was able to apprehend and arrest a suspect for the destruction of property and a hate crime involving the theft and burning of a “Gay Pride” flag
- In November, the FIS investigated and arrested a suspect that was an employee of an area grocery store. The investigation led to a significant amount of cash being recovered, a confession, and the identification of the suspect’s co-conspirators

2015 Field Investigation Statistics

- 1,453 Incidents Investigated
- 3,046 Interviews Conducted
- 600 Arrests (464 Felony/136 Misdemeanor)
- 116 Searches Completed
The HOMICIDE UNIT includes the Cold Case Squad, Digital Forensics Squad and the Felony Assault Squad. The Homicide Unit is commanded by a Lieutenant and each Squad is commanded by a Sergeant.

2015 Homicide Unit High Profile Cases

- During 2015, the Homicide Unit investigated:
  - A triple homicide and six double homicides
  - A murder involving a 12 year old suspect
  - A human trafficking murder

2015 Homicide Statistics

- 50 new homicides investigated
- Arrests made in 29 of the 50 homicides
- Made arrests in nine (9) homicides that occurred in years prior to 2015, including one dating back to 2009
- Homicide clearance rate 70% vs. 2014 National Average 56.6%
2015 Robbery Unit Accomplishments

- In 2015, the Robbery Unit was awarded an “Award of Excellence” for its work in the “Operation Red Rising” bank robbery task force
  - This task force resulted in multiple arrests and the clearance of 16 bank robbery cases

- 364 Probation/Parole Youth Home visits
The NARCOTICS UNIT is commanded by a Lieutenant and includes the Intelligence Squad, the Narcotics Squad and the Special Operations/Vice Squad.

### 2015 Intelligence Squad Accomplishments

The Intelligence Squad was able to provide situational information regarding local events that were sparked from national-level incidents. The Squad handled many threat assessments regarding social media posts throughout 2015, including:

- The Intelligence Squad monitored and investigated information that helped them identify protests spurred by national events that were to take place in Omaha. The Squad was able to gather dates, locations and times so that relevant Omaha Police Department personnel could be notified and ensure adequate Omaha Police Department staffing at the events/protests.
- The Intelligence Squad worked with the Department of Homeland Security and developed a landing page for the Criminal Intelligence Enterprise that is located in the Homeland Security Information Network. This landing page provides agencies such as local, state and federal with direct contact information for Intelligence Squad personnel.
- Assisted with information sharing to help the Missing Persons Squad complete 373 missing adult investigations and 2,588 missing juvenile investigations.
- The Intelligence Squad was able to investigate, identify, locate, interview and book a suspect who was posting anonymous threats on the Omaha Mayor’s Facebook page. This party was also wanted for felony assault.

### 2015 Special Operations/Vice Squad (SOVS)

In 2015 the Special Operations/Vice Squad (SOVS) made 102 arrests for prostitution, solicitation of prostitution and pandering. The SOVS also provided assistance to various Omaha Police Department units including Narcotics, Gang, Burglary, Auto Theft, Robbery and all four precincts.

- In coordination with the FBI Child Exploitation Task Force the SOVS conducted eight (8) undercover prostitution operations targeting prostitution and solicitation of prostitution.
- Conducted undercover scalping operations during the NCAA baseball College World Series with the assistance of Narcotics Unit officers and undercover Uniform Patrol Bureau officers.
- A total of 15 Human Trafficking presentations were given to various agencies in Omaha and other jurisdictions within the State of Nebraska.
2015 Narcotics Squad Accomplishments

- The Narcotics Unit has seen a rise in violent crime related to the high grade Marijuana/THC trade in Omaha.
- Methamphetamine remains a problem in the Omaha Area. The majority of the Methamphetamine is being shipped into the area by local conveyances. Meth Labs are now very minimal in number due to the ready availability of meth and the new precursor laws that govern the purchase of ephedrine (a main component of meth).
- There has been an increase in the production of Hash Oils/THC. The Narcotics Unit effected several significant seizures of THC Oils, Candies and other forms of THC in the Omaha area. This has consistently been a problem since the change in legal status of Marijuana in the neighboring state of Colorado.
- In 2015, as a direct result of the increase of THC extracts and eatables recovered in the metro area, the Narcotics Unit started a partnership with a Drug Enforcement Agency (DEA) research lab to study and analyze the products that are being distributed illegally in the Omaha metro area.

163 Firearms were seized in 2015 as a result of drug-related arrests.

The Narcotics Unit executed 138 Search Warrants in 2015.
The POLICE SERVICES BUREAU (PSB) is commanded by Deputy Chief M. Elizabeth Davis and includes the Administrative Information Section, Forensic Investigations Section, Information Technology Unit, and the Support Services Section.
The Administrative Information Section (AIS) is commanded by Captain Michele Bang and delivers specialized support services to the Omaha Police Department, other law enforcement agencies, and the community. AIS includes the Air Support Unit, Emergency Response Unit, Evidence and Property Unit, Records Unit, Human Resources Unit and the Omaha Police Department’s Peer Support function.

Peer Support

In 2015, the Peer Support Team (PST) response to the death of Officer Kerrie Orozco was immediate and continues today. PST members were available to officers immediately following the incident at the hospital, Central Police Headquarters, the police assemblies and the union hall. Continued Peer Support response included involvement with funeral organization, Critical Incident Response Debriefings for employees and their families, a group grief session, individual contacts with employees and continued follow-up with peers needing support.

2015 Peer Support Accomplishments

- Conducted 21 stress management sessions for Omaha Police Department employees and their families educating 352 attendees about identifying and addressing stress-induced issues
- Created a Google Site available to employees and families providing them with Peer Support information and other emotional/mental wellness information
- Networked with mental health providers and chaplains in order to create a viable resource list of mental health options for employees
The Air Support Unit provides 24-hour air support to the Omaha Police Department’s officers on the ground and assists surrounding communities with professional air support services. In 2015, the Air Support Unit participated in over 35 community events, giving the community a chance to see ABLE One up close and the pilot officers a chance to meet and speak with the community they proudly serve. ABLE One goes to elementary schools, high schools, and local law enforcement events such as the Citizen’s Education and Training Program (CETP), and First Responder’s Foundation events among others.

The EMERGENCY RESPONSE UNIT (ERU) is commanded by a Lieutenant and includes the Special Weapons and Tactics (SWAT) Team, Bomb Response Squad, Bomb Dog Squad, and Crisis Negotiations Team.

2015 ERU Accomplishments

- The ERU Provided enhanced security at several high profile events in Omaha including the 2nd and 3rd rounds of the NCAA men’s Basketball Tournament, the annual Berkshire Hathaway Shareholder’s meeting, the NCAA Men’s baseball College World Series, NCAA Women’s Volleyball Final Four Championship, and dignitary protection assignments for three (3) presidential candidates, coordinated with the Secret Service
- The ERU Secured funding to upgrade the Omaha Police Department’s F6A Bomb Response Robot. This will allow the robot to function for years to come.
- The ERU participated in many community and police precinct activities including the 13th Annual Safety Awareness Fitness and Education Event, The Salute to Safety Expo and the First Responder Action Day
- The Bomb Response Team gave several demonstrations including summer camp demos for youth in Sarpy County
- The Bomb Response Team handled 71 calls for service related to explosives or suspicious devices, and took possession of over 900 pounds of fireworks, 58 firearms, 6 firearm suppressors, 4 IEDs and 800 pounds of ammunition. The team completed 1,700 hours of officer training
- The SWAT Team conducted 100 high-risk warrant entries, responded to 5 barricaded subject incidents, completed 2 dignitary protection assignments, and completed 19 high-risk deployment operations. The team completed 176 hours of training in firearms and tactics
- The 15 year-old SWAT Team Response Van was replaced with a new vehicle fully equipped and designed to suit the needs of the SWAT Team for the next decade thanks to funding from the Omaha Police Foundation
- The Crisis Negotiations Team responded to 18 incidents including 9 barricaded subjects, 5 high element jumpers, and 4 suicidal persons. The team completed more than 600 hours of officer training
- The Crisis Negotiation Team hosted the Center for Advanced Technical Law Enforcement Training and Crisis Management Systems in week-long Basic Crisis Negotiations and Advanced Crisis Negotiations courses
In 2015, the Evidence/Property Unit (EPU) began construction on a new temperature-controlled high density storage room to hold Sexual Assault and Homicide Evidence. The room will allow the Omaha Police Department the ability to preserve DNA for future prosecution and examination. In 2015, a separate room holding over 36,000 items of evidence, also with high density storage, was created to store homicide evidence. Homicide evidence needs to be stored for longer periods of time, sometimes decades.

**AIS - Records Unit - Records Squad**

In 2015, the Records Squad processed 92,098 police reports, 5,793 Criminal History Requests and 10,707 Juvenile Court Seals. This Squad stores, retrieves, and reproduces all reports generated by the Omaha Police Department and delivers the reports to both internal and external customers.

**AIS - Records Unit - Data Center**

The Data Center operates the Omaha Police Department’s Information Channel (internal radio channel), conveys and receives criminal history information from the Nebraska and National Law Enforcement Teletype System (NLETS), and enters and retrieves criminal data for the National Crime Information Center (NCIC) and the Nebraska Crime Information System (NCIS).

**AIS - Human Resources Unit**

The Human Resources (HR) Unit is supervised by an Office Manager and provides a variety of services and support functions. In 2015 HR assisted all units in the required preparation and reporting of workload assessments, in preparation for the department’s CALEA re-accreditation assessment. HR coordinates hiring and all employee actions, as well as the application of rules of labor contracts and the Omaha Municipal Code in areas relevant to Human Resources.
The Information Technology Unit (IT) reports directly to the PSB Deputy Chief and includes the Mobile IT Squad. This unit maintains and develops the Omaha Police Department’s Information Technology Systems, Records Management System and Mobile Data Computers.

Since approximately 2012 the Omaha Police Department’s IT Unit has been working on the development and implementation of an electronic field-reporting system (PortalOne). During 2013 and 2014, the Unit was able to implement the Citations and Crash Reporting online - both were very successful launches. With a great deal of requirements gathering, data analysis, and field-testing the Unit was able to successfully launch the electronic Incident Report in June of 2015. The implementation of an electronic Incident Report has revolutionized the manner in which officers report crime. Taking advantage of 2D barcode readers, officers are able to scan driver’s licenses to auto-populate driver/subject data into reports which maximizes the efficiency and accuracy of the entire reporting process and dramatically reduces the time it takes to complete a report from start to finish. Officers no longer handwrite duplicate information into reports, such as names; these fields can now be entered into multiple reports at the click of a button.

In preparation for the implementation of electronic reporting, the Omaha Police Department began working on a new Records Management System (RMS) in 2014, with work continuing into 2015. The new RMS provides Department employees quick access to data contained in electronically entered reports. The RMS is now fully functional and contains more than 2 million records. Both internal and external users of police data in Douglas County have access to the RMS. All of these records are now fully searchable, which has enabled the Department to solve many crimes.

In late 2015 the IT Unit was able to successfully make images of paper police reports (those completed prior to the implementation of PortalOne) available in the RMS. This allows all RMS users the ability to conduct “one-stop shopping” when looking for police report data. The IT Unit continues to improve and enhance the RMS on a weekly basis in order to provide Omaha Police Department employees with real-time data.
The FORENSIC INVESTIGATIONS SECTION (FIS) is commanded by Captain Edward Reyes. FIS provides forensic evidence collection, preservation, documentation, and analysis for the Omaha Police Department and other law enforcement agencies in the Omaha area. In 2015, the FIS took on the task of Integrated Ballistics Identification Entry (IBIS)/National Integrated Ballistic Information Network (NIBIN) entry for the entire state of Nebraska, previously assigned to the Nebraska State Patrol. Additionally, the FIS was awarded $165,000 through the 2015 Paul Coverdell Forensic Science Improvement Grant which allowed for the purchase of new equipment and employee training, both intended to improve latent print processing and evidence processing and to help reduce backlogs.

The Support Services Section (SSS) is commanded by Captain Adam Kyle and provides informational and specific support services to the Omaha Police Department. The SSS is comprised of the Customer Services Unit, Fleet/Facilities Unit, Vehicle Impound Unit and Police Supply Unit.

### SSS - Customer Services Unit

The Customer Services Unit, which includes the Court Liaison Squad, Front Desk Squad, and Information Services Squad modernized many processes in 2015. The Front Desk Squad, in particular, saw many improvements. With the addition of electronic payment processing and reporting directly via the computer, the Front Desk Squad increased its efficiencies and is much better equipped to serve the citizens of Omaha.

The Fleet/Facilities Unit is commanded by a Fleet/Facilities Coordinator and provides building and fleet maintenance and acquisition services for the Omaha Police Department. 2015 brought 98 marked and unmarked vehicles into the fleet and an increase in unit personnel. The unit also completed 380 departmental work requests in 2015.

The Vehicle Impound Unit is commanded by an Impound Lot Manager and is responsible for the storage, security, and disposal of vehicles and property towed to the facility by tow companies contracted by the Omaha Police Department, Douglas County Sheriff’s Office and the Nebraska State Patrol. In 2015, the Unit processed 9,577 vehicles. Each year approximately 20% of the vehicles brought to the Unit are not claimed and are eventually processed for auction. In 2015, $1.9 million in revenue was generated by these auctions. The Impound Unit also made many improvements including a new point-of-sale and payment processing software, and an update of cash collection and handling procedures.

The Police Supply Unit manages supplies for approximately 1,000 Omaha Police Department employees. The Unit performs a variety of duties including furnishing office supplies, managing a quartermaster system, and processing all items ordered through the Oracle purchasing system. The Unit also provides and prints Omaha Police Department forms and processes shipments for the Omaha Police Department. In 2015, the Supply Unit assisted in supplying uniforms and equipment for the largest recruit class in the Department’s history and also assisted in the complete replacement of the Omaha Police Department’s portable radios. Both tasks required extensive inventory updates and new record entries.
The EXECUTIVE SERVICES BUREAU (ESB) is commanded by Deputy Chief Gregory Gonzalez and includes the Training and Community Services Section and the Research and Planning Unit.
Police Athletics for Community Engagement (PACE), a program that originated under the umbrella of the Latino Police Officers Association (LPOA) and partnered with the Black Police Officers association (BPOA), the City of Omaha, and the Omaha Police Department, is dedicated to offering athletic opportunities to at-risk youth, completely FREE of charge. PACE programs combine community policing, crime prevention, youth development and education via team sports for inner city youth.

It is the belief of the Omaha Police Department that these programs develop discipline, self-esteem, and positive moral values through wholesome competition and educations and make a significant impact on juvenile crime and gang prevention. A key component of PACE’s mission is to build positive bridges and develop relationships between police officers, youth participants, and the community at large.
The Research and Planning Unit (R&P) includes an R&P Supervisor and three R&P Specialists. R&P is responsible for the management and maintenance of the following:

- CALEA / Accreditation Process
- The Omaha Police Department Policies and Procedures Manual
- Research surveys from/to other agencies
- Various administrative reports and analyses
- Grant writing and grant management
- Review and dissemination of legislative bills, state statutes, city ordinances, and court rulings
- The Omaha Police Department Annual Report
- Omaha Police Department Forms
- Other research, analysis, and administrative tasks as assigned

The Training and Community Services Section (TCSS) is commanded by Captain Michael McGee and includes the Backgrounds/Inspections Unit, Honor Guard, Pipe and Drums Corp, Neighborhood Services Unit and the Training Unit.
2015 Backgrounds/Inspections Unit Accomplishments

2015 was a busy year for the Backgrounds/Inspections Unit. The Omaha Police Department increased its recruiting efforts and hired its largest Recruit Class ever, hosting 55 Recruits.

- Completed background investigations and processing for Class 1-2015 (55 recruits)
- Completed recruiting campaign for Recruit Class 1-2016
- Developed, designed and validated a new Physical Ability Testing (PAT) course
- Administered PAT course to new candidates for Recruit Class 1-2016

Officer Kerrie S. Orozco was hired on to the Omaha Police Department in December of 2007. Officer Orozco worked diligently during her career to keep the city safe and to keep youth out of gangs. She was a member of the Omaha Police Department Gang Unit, where she tirelessly worked toward these goals. In her off-duty time Officer Orozco coached in the Police Athletics for Community Engagement (PACE) program and was well-loved by her young team members. Officer Orozco was killed in the line of duty, on May 20, 2015, while helping fellow officers apprehend a known gang member. Kerrie is survived by her husband Hector, baby daughter Olivia, step-daughter Natalia and step-son Santiago, as well as several immediate family members and extended family.
