To provide an environment that results in:

- Reduction of crime and fear of crime
- Improved public confidence and transparency, where appropriate
- Maximum efficiency through resource and technology allocation
- Enhanced customer service
- Personal and professional growth for employees, including mental and physical well-being
MESSAGE FROM THE CHIEF

I am pleased to present the Omaha Police Department’s 2018 Annual Report. This report highlights our continuing efforts to protect and serve the people of Omaha in the most efficient way possible.

In 2018, the men and women of the Omaha Police Department continued to carry out the department’s mission fostering relationships in the community, providing services in a professional manner, and increasing transparency using tools such as social media. It was a historic year with milestones including the department’s largest ever recruit class, breaking ground on the city’s fifth police precinct, and beginning a two-year pilot program that embeds licensed mental health therapists in police precincts to co-respond to mental health calls with officers.

The hard work and dedication of our officers is evident in the crime data with decreases in every category of UCR Part I Violent Crimes in Omaha from 2017. In spite of the decreases in violent crime, our officers responded to an increased number of calls for service and initiated more traffic stops than the previous year. The department maintained its CALEA and ANAB/ISO/IEC 17020 accreditations which ensures quality and accountability by being held to industry best practices.

While we recognize these successes we also know that we are far from done. Our role in the community is more than enforcement and investigation. The Public Information Office and officers are increasing social media use to share up-to-date crime details, make safety announcements, spotlight the great work of our officers, share information on community events, and so much more. We look forward to continuing to host and take part in numerous events throughout the community, increasing participation in juvenile crime prevention programs such as Police Athletics through Community Engagement, and invite citizens to take a more active role through a variety of community meetings, as well as citizen training academies.

This report contains an overview of the department and highlights some of our achievements in 2018, but our efforts go beyond what is contained in these pages. We are committed to keeping Omaha a dynamic, safe city.

Respectfully,

Todd R. Schmaderer

The Criminal Investigations Bureau (CIB) is commanded by Deputy Chief Ken Kanger and provides 24 hour crime investigation services. CIB consists of the Criminal Investigations Section, Special Operations Section, and Special Investigations Section.
Criminal Investigations Section

The Criminal Investigations Section (CIS) is commanded by Captain Steve Cerveny and includes the following:

Assault Unit, Auto Theft Unit, Burglary Unit, Homicide Unit, Officer-Involved Investigations Team, Operations Squad, and Robbery Unit
Assault Unit

On July 1, 2018 the Assault Unit was officially created and split off from the Homicide Unit. This change allows the Assault Unit to focus solely on non-fatal shootings and all other assault investigations including threats, school threats, and harassment investigations. Since the split, the clearance rate for non-fatal shootings has continued to improve. The unit also works very closely with the Gang Unit; this inter-unit communication and cooperation has led to success on many non-fatal shooting cases. Aggravated Assault Arrests increased nine-percent and Misdemeanor Assault Arrests increased seven-percent from 2017.

Auto Theft Unit & Pawn Squad

The Auto Theft Unit updated their policy to book all auto theft suspects in jail regardless of the value of the stolen vehicle which had an almost immediate impact in reducing the number of vehicles stolen on a monthly basis. The unit collaborated with PIO and the Crime Prevention Specialists to promote messages about not leaving keys or valuables in vehicles. Officers in the unit went to busy shopping centers after Thanksgiving to provide motor vehicle anti-theft tips and be a visible deterrent to thieves. Theft from motor vehicle cases decreased by five-percent in 2018.

The unit also saw decreases in stolen vehicles. By the end of 2018 there was an 11% decrease in Motor Vehicle Thefts and a 24% clearance rate for Motor Vehicle Thefts – double the national average.

The Pawn Squad continues to train detectives and utilize the “Leads Online” web based reporting system to track items pawned or sold at local area pawn shops. This system is an incredibly valuable tool for investigators to recover stolen property and develop leads on suspects in thefts. The squad saw an increase in the value of recovered stolen property compared to 2017.
Burglary Unit & Fraud Squad

Momentum from the 2017 retail crime push was carried into 2018 and a dent was put in the criminal activity committed by "Boosters" in, and around, the metro area. By aggressively identifying and seeking warrants for shoplifters, OPD was able to arrest multiple parties that were later identified as being involved in other more serious crimes. Shoplifters are not just perpetrators of property crimes. Arrests included suspects that were also involved in Assaults, Robberies, Domestic Violence, Gang activity and were tied to multiple Homicides.

Burglaries were down from 2,088 in 2017 to 1,848 in 2018. There were 138 burglary arrests in 2018.

Homicide Unit

In 2018 the Homicide Unit made 23 arrested, which resulted in clearing 16 cases from 2018 and 4 cases from previous years. This closed out 2018 with a 91% clearance rate for solved homicides. The number of homicides decreased from 30 in 2017 to 22 in 2018.

Officer Involved Investigations Team (OIIT)

The OIIT is responsible for the criminal investigation and case management of OPD “Use of Force” incidents involving officers who are on- or off-duty and resulting in serious injury or death.

Robbery Unit

In 2018 the Robbery Unit investigated over 500 robberies. The unit works closely with the Crime Stoppers program to generate tips from the public. While their caseloads keep them busy, the unit believes it is important to have positive community interactions. Presentations were given to a variety of outside organizations. Some include banks and area businesses to educate on increasing security and decreasing chances to become victims, as well as presentations to school-aged children for gun safety, stranger danger, and career day.

Robberies were down from 625 in 2017 to 456 in 2018. There were 203 robbery arrests in 2018. The OPD robbery clearance rate of 57% is well above the national average.
SPECIAL OPERATIONS SECTION

The Special Operations Section (SOS) is commanded by Captain Tom Shaffer and includes the following:

Gang Unit and Narcotics Unit
**Gang Unit**

The Gang Unit consists of eight squads: Firearms Squad, Fugitive Squad, Gang Intelligence Squad, four Gang Suppression Squads, and the Safe Streets Task Force Squad. The Gang Unit participated in 395 community activities, gave 109 presentations, participated in the UNO career fair, and hosted monthly gang intelligence meetings with local law enforcement, probation, parole and correctional services.

The unit made 2,339 felony arrests, carried out 220 search warrants, recovered 270 firearms, conducted 418 adult probation visits, conducted 218 juvenile probation visits, $139,615 seized, and seized approximately four pounds of cocaine, two pounds of crack, 17 pounds of meth, 22 pounds of Ice, 87 pounds of marijuana, and various other illegal pills and narcotics.

**Fugitive Squad** made 1,276 arrests in 2018; a record number since being established.

**Firearms Squad** conducts joint operations with outside agencies including the Federal Bureau of Alcohol, Tobacco, and Firearms. In 2018, they also participated in 2 firearm and gun amnesty events collecting 48 handguns, 84 long guns (including five illegal short shotguns), 2,500 pounds of ammunition, 1,000 pounds of fireworks, two hand grenades, one landmine, and one large explosive device.
Narcotics Unit

The Narcotics Unit consists of three squads: Intelligence Squad, Narcotics Squad, and Special Operations/Vice Squad (SOVS).

Intelligence Squad

The Intelligence Squad issued 14 different officer safety and situational awareness bulletins using information gathered from different sources. These bulletins were used to advise officers of possible threats regarding different people and situations.

The squad is also part of the Joint Terrorism Task Force with the FBI. They maintain a Terrorism Early Warning Group which vets and passes on information on incidents including local protests and rally events. The group also maintains the website https://otewg.org to share information with the public and allow citizens to report terrorism-related information. In 2018, the website had 5,846 visitors.

Narcotics Squad

At the beginning of 2018, the Narcotics Squad was able to eliminate a large fentanyl manufacturing/distribution organization. This resulted in fentanyl-based street drugs becoming almost non-existent in the metro area.

The Narcotics squad continues its commitment to combat illegal drug activity in the Omaha metro area, adapting their strategies to target specific problems that arise. They continue to encourage inter-unit communication with UPB officers which generates more investigative leads and has led to developing more confidential informants, as well as increased drug and weapon seizures. Officers from the Narcotics Squad presented to several organizations that included doctors, pharmacists, attorneys, and business leaders in Omaha in an effort to continue to educate the public on the dangers of opioid abuse.

Special Operations/Vice Squad (SOVS)

SOVS coordinates with other local law enforcement and advocacy agencies to create a collaborative and effective way to identify victims of sex crimes and suspects that traffic victims. They participated in 10 joint task force prostitution operations in Omaha, Douglas County, Lincoln, La Vista, and Council Bluffs, Iowa. Provided four sex trafficking presentations to various organizations.

The SOVS arrested 123 individuals in 2018: two for human trafficking, three for pandering, one for keeping a house of prostitution, 101 for prostitution or solicitation of prostitution, three for lewd conduct, and 13 were miscellaneous/unrelated to prostitution.
SPECIAL INVESTIGATIONS SECTION

The Special Investigations Section (SIS) is commanded by Captain Anna Colon and includes the following:

Adult Special Victims Unit and Child Special Victims Unit
The SIS was created in 2018 to reinforce the department’s commitment to addressing adult and child special victims, as well as add resources which will assist in providing better response to the victims of domestic violence. They are located at Project Harmony in order to increase access and availability of services for special victims. Members of the SIS participated in many community events and attended various trainings throughout the year.

**Adult Special Victims Unit**

The Adult Special Victims Unit consists of the Domestic Violence (DV) Squad and Adult Sexual Assault Squad. The unit specializes in trauma informed investigations, including domestic violence, adult sexual assault, and vulnerable adult abuse.

**Child Special Victims Unit**

The Child Special Victims Unit consists of the Child Abuse Squad, Child Sexual Assault Squad, and Missing Persons Squad. In an effort to assist the children and families who report children missing, the Missing Persons Squad and Project Harmony created the Missing Youth Services Program to provide these families with services and support.
The Uniform Patrol Bureau (UPB) is commanded by Deputy Chief Scott Gray and provides 24 hour police patrol services to the public which include uniform patrol, emergency response to calls-for-service, general law enforcement, community outreach, event safety services, drug interdictions, and problem resolution. UPB is divided into four Uniform Patrol Precincts: Southeast Precinct, Northeast Precinct, Southwest Precinct, and Northwest Precinct.
Southeast (SE) Precinct

The Southeast (SE) Precinct is commanded by Captain Katherine Belcastro-Gonzalez and includes the following:

- 50 Area
- 60 Area
- 50/60 Area Relief
- Mounted Patrol Squad
- River-Front Patrol Squad

SOUTHEAST PRECINCT
The **Southeast Precinct (SE)** is the most diverse precinct in the city, encompassing 15 square miles. It includes the Old Market District, Henry Doorly Zoo, Lauritzen Gardens, the Blackstone District, as well as Midtown Crossing. It is home to several large businesses including First National Bank, ConAgra, Mutual of Omaha, Union Pacific, and many more. SE command and officers adapt to a variety of calls and events that take place throughout the year.

The SE Precinct utilizes a Problem Resolution Team to quickly address hot spots/problem areas which result in positive solutions. Officers continue to successfully patrol, interact with, and forge meaningful relationships with the diverse groups of people living in the community. These areas are patrolled by cruisers, bicycles, ATV’s, horses, and segways to better serve the community. The SE Precinct boasts lower crime rates in 2018 in nearly every index crime than in 2017.

The SE Precinct had a busy year engaging with its citizens by hosting and attending numerous community events and meetings throughout 2018. In an effort to increase positive interaction with police the SE Precinct participated in community groups such as numerous Neighborhood Watch programs, precinct advisory council (PAC) meetings, and the South Omaha Violence Intervention Program (SOVIP).

Traffic Unit

The Traffic Unit consists of three squads: Accident Investigations Squad, Selective Enforcement Squad, and Project Night Life Squad.

The Unit is responsible for traffic safety at all major events within the city limits of Omaha. The Traffic Unit provides 24-hour specialized traffic accident investigation, selective enforcement, and special event services. They obtain a majority of the agency’s selective traffic enforcement operation grant funding. Grant-funded operations include nationwide enforcement campaigns such as “Click It Or Ticket” and “You Drink, You Drive, You Lose.” The Traffic Unit received over $277,811 in funding to provide additional operations, purchase equipment, and send officers to traffic related training.

The Accident Investigations Squad (AIS) investigated 5,402 hit and run accidents, 251 accidents involving city owned vehicles, 137 accidents involving serious bodily injury, and 37 accidents involving fatalities. The four “A” shift AIS officers led the entire State of Nebraska with over 532 DUI arrests during 2018. The officers received several awards from Mothers Against Drunk Driving for their dedication to DUI enforcement.

The Selective Enforcement Squad (SES) is responsible for addressing the Mayor’s and City Council’s traffic hotspot complaint areas, routine speed and traffic complaints, addressing high profile areas of concern for speed and traffic enforcement, and assisting with patrol in high-crime areas for violence reduction. The squad also creates and implements traffic plans for special events, which is critical for the safety of all participants and spectators.
