The Vehicle Impound Facility is a part of the Omaha Police Department—Administrative Information Section. It is located at 7809 F Street and was acquired by the city of Omaha in 1991. It encompasses approximately 11.55 acres owned by the City of Omaha with an additional 4 acres leased. The facility is capable of storing approximately 1,200 vehicles and is staffed 24 hours a day, 7 days a week, 365 days a year. It is a fenced, secured facility with video surveillance and continuous patrol by City of Omaha Police Department personnel.

The city of Omaha Vehicle Impound Facility provides for storage and disposal of vehicles towed by order of the Omaha Police Department and the Douglas County Sheriff’s Department.

Please contact the Impound Facility for the fees you may owe to claim your towed vehicle. The Omaha Police Impound only accepts cash. No checks, debit or credit cards. There is an ATM available at the facility.

To Claim Your Vehicle:

- You must present PHOTO identification.
- You must provide current registration.
- In the event the vehicle was purchased in the past 30 days, you must have a properly executed title or a notarized bill of sale if you purchased the vehicle from a private party. The bill of sale does not need to be notarized if it is from a dealership and accompanied by proper in-transits. Home-made in-transits are not legal.
- Beginning November 26, 2010, you must have proof of liability insurance as required by state law.
- If the owner of a vehicle does not possess a valid driver’s license, a legally licensed driver must be present to remove any vehicle from impound.

To Claim A Vehicle Other Than Your Own: Vehicle Release Form

- You must have a notarized note from the owner of the vehicle authorizing a named party to claim the vehicle on their behalf. The vehicle description and a copy of the owner’s driver’s license must accompany the note at the time you pay for your vehicle.

To Claim Personal Property From A Vehicle:

- You must present PHOTO identification.
- You may not remove personal property from the vehicle until you can prove ownership.
- If your vehicle does not have current registration, you must bring in the vehicle title (in your name) or have a title faxed from your lien holder.
